

TOUR TO ATIENZA

Atienza is an historical city with remotes origin from preroman period. During the Medieval Age was one of the most importants places in the center of the peninsula Iberica. Thanks of this period we have a great heritage such us its castle, their diferents romanesques church, three of them are today Museums of Art.

We can start our visit at the castle to admire the beautiful views from it, after go down to the Trinity Church that is one of the museum that I told you befaore (price of **€ 2.00 pax**) and continuos the visit to the Medieval Square of the Straw and entrering to the Saint John Church finishing our guided tour going through the Arrebatacapas Gate to the Etnographic Museum in the Cord House

This is a visit of a half day, around 2 hours but if you wan to spend your day in Atienza, we can visit anothers monuments such as visit San Bartolomé and San Gil Churchs (both also with a cost of **€ 2.00 pax each**). You can combined

DURATION:

About 2.5 hours. Atienza can be combined with Cogolludo, rural Romanesque, Imón saltworks, Sigüenza or Palazuelos
