

TOUR TO GUADALAJARA

What do we visit?

In this tour you will discover a new city, the historical city of Guadalajara, a place with palaces such as the Infantado, candidate to be World Heritage by UNESCO or the Cotilla's Palace with a unique room decorated with rice paper that represents Chinese characters. Churches as the Saint James, of a pure typical mudejar style o Saint Nicholas of barroque style. And you can not leave of Guadalajara without a visit to the Pantheon of countress of Vega del Pozo (with a special price for groups with guide).

You can visit all this places an others more by my hand. Some of them have a price of entry but with the tourist card GuadaCard.

DURATION: As I said before, Guadalajara can be visited in half a day (morning or afternoon), as all day.

With respect to monuments visited, these are the most representative, being able to access all, some or replacing them at the request of the client.

* It is also possible to acquire the Guadalajara Card tourist card, with discounts in establishments of the city and with access to the palace of the *Cotilla*, *Luis de Lucena chapel*, *Cripta de los Mendoza*, *Torreón del Alamín* and *Torreón de Alvar Fañez*
