

## TOUR TO RURAL ROMANESQUE

In the limits with other Castilian lands, like Soria and Segovia, there are a number of very pintoresque towns, important in medieval times, between the XII-XIII centuries, from that time, we have until today, Romanesque churches with the peculiarity Which have decorations of Mudejar influence.

### What do we visit?

Some of them are in a line tour that connect each little village with other. Starting in Villacadima with the Church of Sain Peter to continuos to one of the points with the purest air of the world in 2016, the third, Campisábalos, to visit the church of Saint Bartholomew and the chappel of San Galindo knight to finish in Albendiego and admiring one temple that some historians thinks that the first owner were the Templars Order.

After lunch we can visit Atienza, the historical medieval city, maybe we can not spend all time that it is necessary to visit everything, but the most importants monuments such as the Castle, the Museum-Church of the Trinity and the Wheat Square with the Gate of "Arrebatacapas" we will do

### DURATION:

It is usually a full day, starting early in the morning, recommending the spring days from May, to better take advantage of the sunny hours. You can combine with other destinations **Palazuelos** or **Sigüenza**, in case you want to combine with one of these named, the tour of the visit can vary, consult me to recommend you. You can also include the town of **Sauca**, for its beautiful parish church
